... Married June 2, 1912

Earl Hackers Honored On Golden Anniversary

Mr. and Mrs. Earl Hacker, 1021 Cravens, were honored on two occasions in celebration of their Golden Wedding Anniversary. On Saturday afternoon, open house for their neighbors and friends was held and on Sunday they were honored at a family dinner at the Lone Pine Inn in Wilmington.

Mr. and Mrs. Hacker were married June 2, 1912, in Purcell, Okla., where Mr. Hacker was later to become mayor. They moved to the Torrance area 11 years ago.

The couple worked at the Fish Shanty restaurant for many years prior to retiring four years ago. They are both active in the First Baptist Church in Torrance.

At the open house on Sat-

urday, they were showered with cards and telegrams from area friends as well as friends in Oklahoma. At Saturday's party they were presented with a golden money tree. Coffee and cake was served throughout the afternoon. The money tree was presented by their children, Mmes. Lucille Lewis, Fred Dean, W. G. White, all of Torrance; Mrs. Eddie R. Tyler of Wilmington and two others who were unable to be here, Harold Hacker of Walnut Creek, Calif., and Mrs. Paul Graves of Wichita, Kan.

The children and their families attended the dinner party given on Sunday when a three-tiered decorated cake was the table centerpiece.

... Ann Landers

nut or something but I don't believe it's right to force music on people. Thanks for letting me say it.—TWITCHY.

Dear Ann Landers: I'm almost ashamed to write about this even though you may tell me I'm childish.

My mother died several months ago following a long illness. At this moment I have in my closet several dresses and suits which I wore when I visited my mother in the hospital and when I cared for her at home. The dress I wore to her funeral is also hanging there.

I can't bring myself to wear any of these clothes although they are stylish and in excellent condition. I've started to give them away but I can't seem to do this either. So I can neither wear them nor can I part with them. Please help me. —S.P.F.

Dear S.P.F.: I can't help you, but you can help yourself and you MUST. Go to the telephone this very minute and call Good Will Industries. Give them all the clothing to which you attach mother-memories. Consider it an act of charity.

It's unhealthy to hang on to bits and pieces of the past as you are doing. This is not reverence, it's morbidity.

Confidential to WHICH WAY TO GO: Parents who would give a 15-year-old girl permission to marry need to have their heads examined. And your son must have bats in the bachelors, too. A man 24 years old who would consider such a thing sounds like a case of arrested development.

To learn the knack of feeling comfortable with the opposite sex, send for ANN LANDERS' booklet, "How To Be Date Bait," enclosing with your request 20 cents in coin and a long, self-addressed, stamped envelope. Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.
